

How Merit Badge Counselors (MBCs) can record Merit Badge Advancements for Scouts

After you are connected to a Scout, you can log into Scoutbook.com and find the Scout under My Account > My Connections

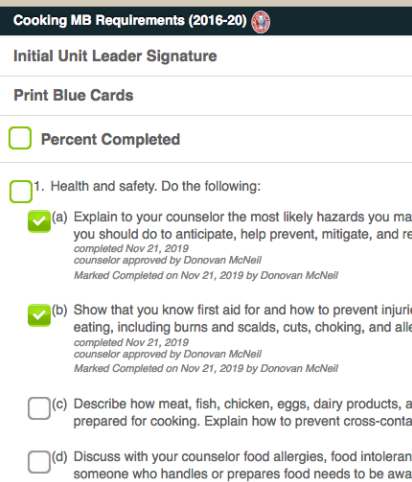

By Clicking on the Scout's name you are taken to the Scout's Profile Page

In this example we see that both Fingerprinting and Environmental Science already have completed dates. Cooking is 6% complete.

When we click cooking we are taken to the Cooking Merit Badge Page

Green Checks show the Scout is ready for review, it can also show that MBC has approved it which you can see in text under 1(a).

If you click a box of a requirement, you are taken to a page for that requirement where you can individually mark it MBC approved.

If you everything is Done for the Scout you can click the Box by "Percent Complete" and put an completion date in for the Merit Badge without having to fill out all the requirements.
