

How to make a my.scouting.org Account for you or a Scout

You will then go to my.scouting.org and be prompted to log in or create as account if you do not have an account.

Create an Account is on the Left - Log in to existing account is on the Right.

The image shows a screenshot of the my.scouting.org website. On the left, a dark blue panel contains the text "Welcome to my.Scouting" and "New to Scouting or don't have an account?". Below this is a link to "Review Privacy Policy" and a white button labeled "CREATE ACCOUNT". On the right, the website's header features the Scout logo and the text "Login to my.Scouting". Below the logo are two input fields for "Username" and "Password", followed by a dark blue "LOGIN" button. Underneath the login button are links for "Forgot username / password?", "OR", and social login options: "Sign in" with the Google logo and "Sign in with Apple". At the bottom, it says "Using Google or Apple Login". A red arrow originates from the "CREATE ACCOUNT" button and points towards the "LOGIN" button.
